About JSX

Founded in 2016, JSX is a ‘hop-on’ public charter jet service that’s faster on the ground, more comfortable in the air, and is competitively priced. JSX has operated safely and securely without incident since its inception, and its safety and security technologies and programs exceed both FAA and TSA requirements for Part 135 operators. Recognized by Airline Passenger Experience Association (APEX) as the world’s only ‘[2023 ‘Five-Star Regional Airline’](#)’ for a fourth consecutive year and as the ‘[2020 “Best Overall Air Carrier in North America”](#)’, the recipient of a perfect score of 100 on the [Human Rights Campaign Foundation’s 2023-2024 Corporate Equality Index](#), and honored as one of the top 5 “[Most Innovative Companies for 2020](#)” by Fast Company in the travel category, JSX is dramatically improving air travel for thousands of travelers every day by offering the hassle-free, crowd-free experience of flying between private terminals on 30-seat Embraer aircraft. JSX has amassed a reputation for joyful, simple, and reliable air travel by offering a category of flying it calls ‘hop-on jet service’ for all, providing an accessible charter jet travel experience once reserved for corporate leaders and the ultra-wealthy to all.

JSX provides up to 100 public charter flights daily to 25 business and leisure destinations across Arizona, California, Colorado, Florida, Nevada, New Mexico, New York, and Texas in the US, with seasonal offerings to Mexico and the Bahamas, as well. JSX currently operates 48 ERJ family aircraft, each reconfigured to offer 30 seats, and employs over 1,000 crewmembers.

JSX offers many industry-leading features including:

- Allowing customers to check-in just 20 minutes before their domestic flight from beautifully appointed, spacious private terminals (45 minutes for international flights)
- No long check-in lines and fast, effortless, TSA-approved security protocols
- A bright, spacious, modern cabin interior featuring 30 comfortable seats with business class legroom, no middle seats, and power outlets at every row

- Added complimentary amenities for all customers such as two checked bags (including golf bags, skis, and snowboards), drinks, snacks, and cocktails inflight
- Planeside baggage retrieval within minutes of arrival
- Enhanced cleaning protocols including hospital-grade HEPA filters onboard
- The air carrier now offers the world's fastest and totally free instant-on in-flight Wi-Fi from Starlink, fleetwide since May 2023

JSX flights may be booked directly through www.jsx.com, the JSX mobile app, or through partners JetBlue and United. JSX Customers can accrue toward United MileagePlus and JetBlue TrueBlue loyalty programs. JSX's 30-seat jets may be chartered for group trips, corporate events, or other travel needs.
